

CPFA Release Form

RELEASE: (to be completed by home team head coach/receiving head coach/parent)

- A player must go to his home field to try out for that team. If the player is released they may play for any team that accepts them, with the understanding that they have the option in the future to try out again for their home team that had previously released them, or to remain with their current team.
- Any releases must be signed by the Head Coach of the releasing team and of the accepting team. The parent of the child being released must also sign the form acknowledging the above criteria.
- The original will be held by the League copies will be given to both teams and the parents.
